01 Start your application

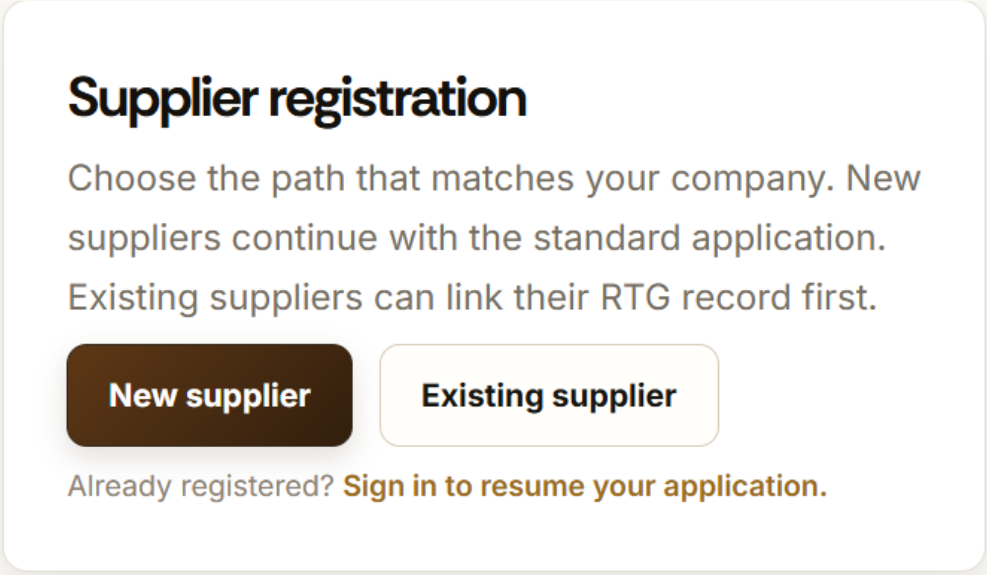

Open the supplier portal using the link provided with your beta invitation.

Open supplier registration

Select **Start supplier registration** or **Register your business**.

Choose your supplier path

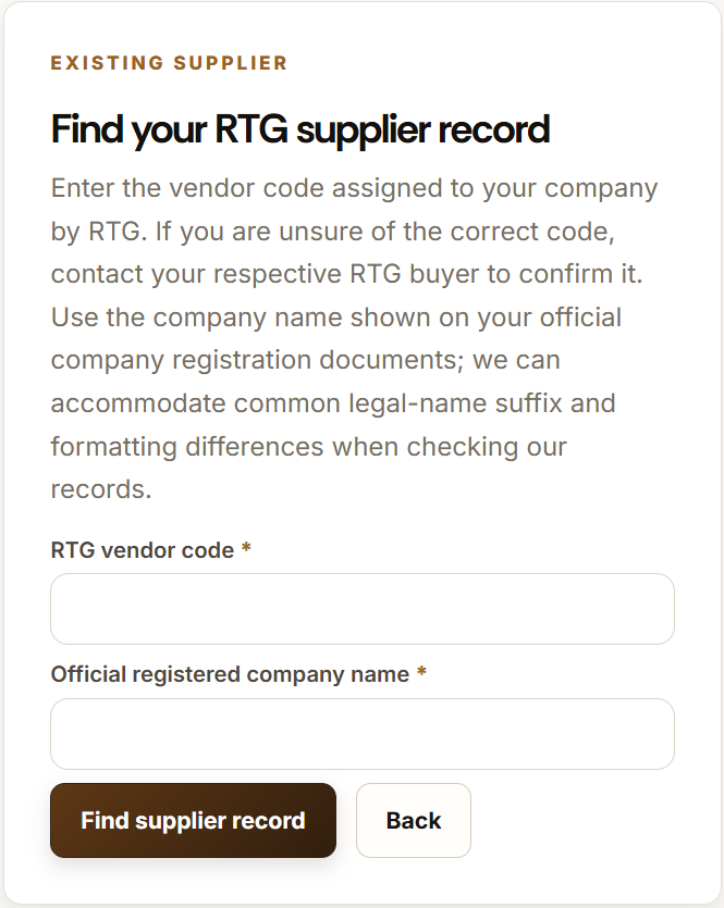

New supplier: start a standard application.
Existing supplier: link your RTG supplier record first.

Before you begin Have your business details, contact information, director ID documents, trade references and compliance documents ready.

Already started? Use **Continue an application** or **Supplier sign in** to return to your account.

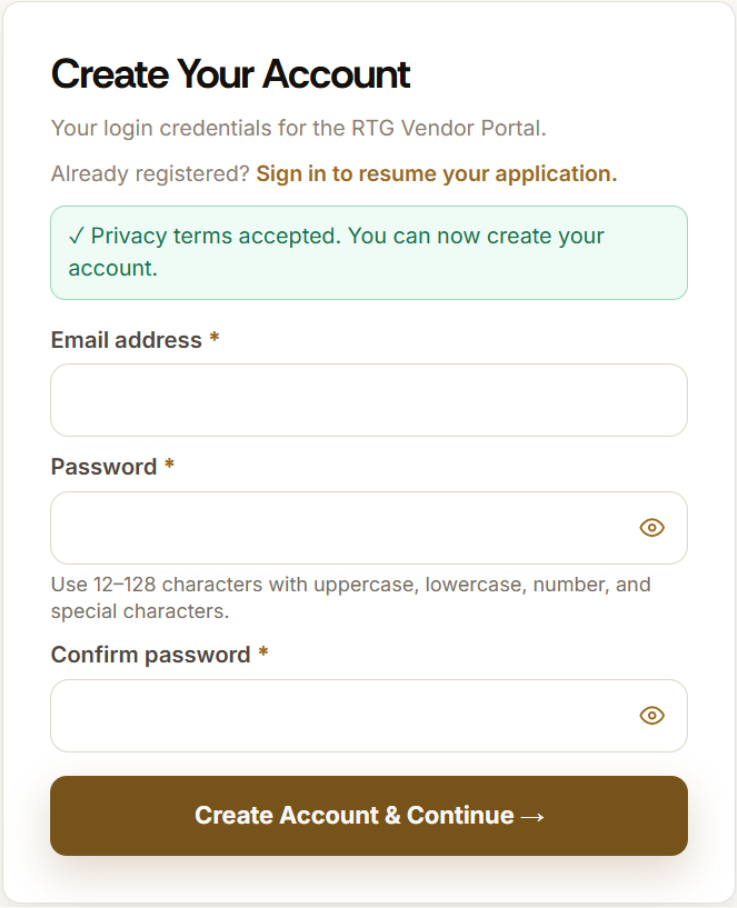

02 Link your record and create an account

Existing suppliers complete the record lookup. New suppliers continue to account creation.

Existing suppliers only
Enter your RTG vendor code and official registered company name. Select **Find supplier record** and follow the prompts.

Unsure of your vendor code? Contact your respective RTG buyer.

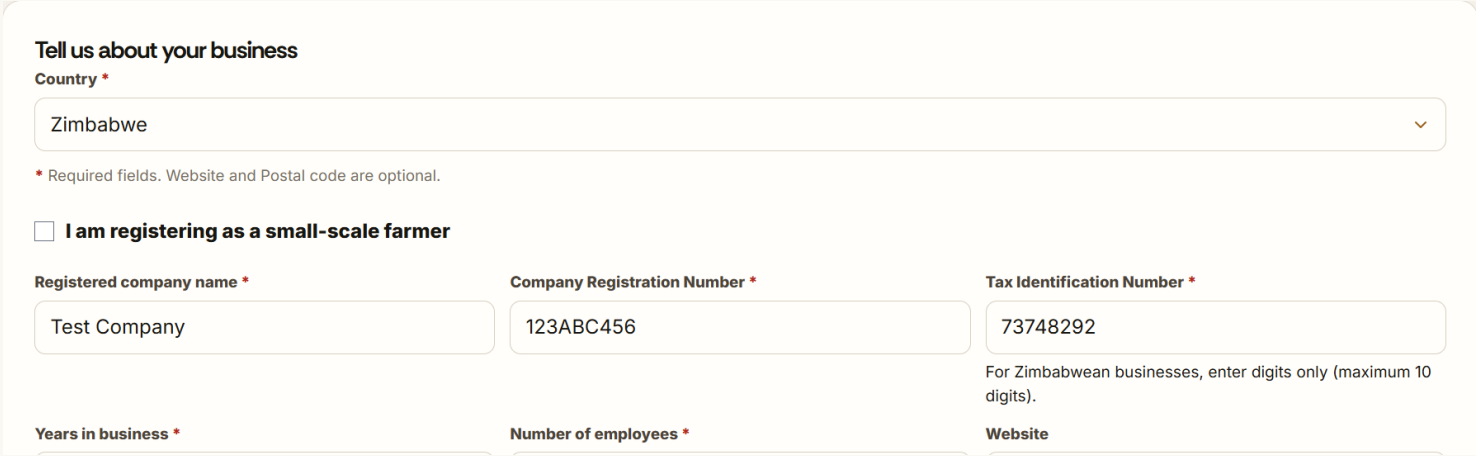

Create your account Read and accept the privacy terms when prompted. Enter your email, create and confirm your password, then select **Create Account & Continue**.

Password: 12-128 characters with uppercase, lowercase, a number and a special character.

03 Complete your business profile

Follow the progress bar: Business & location, Details, Documents, then Review & submit.

Enter business and location details

Select your country and complete the required fields marked *****, including your registered company name, registration number and tax identification number. Scroll down to complete the remaining business and location fields.

Select your supply categories
Tick the categories that match the goods or services you provide.

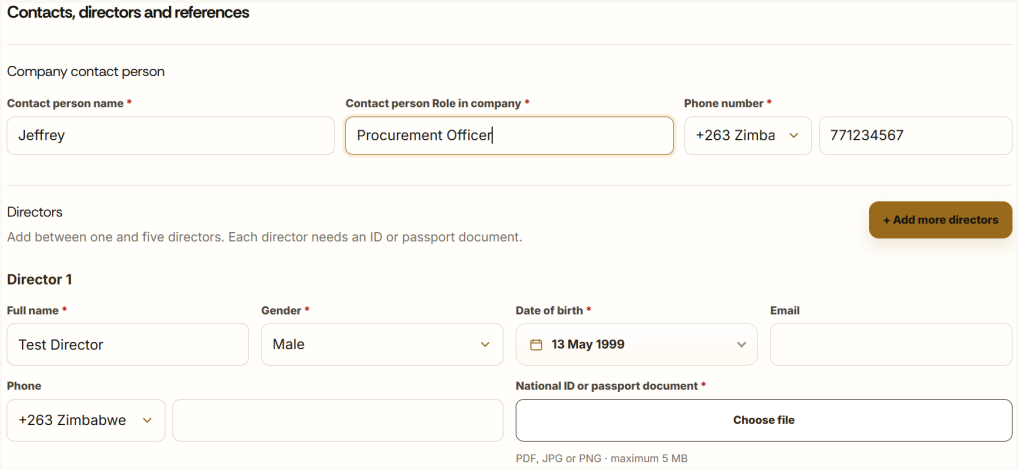

Choose the small-scale farmer option only if it applies. Website and postal code are optional.

For Zimbabwean businesses, the tax identification number accepts digits only, up to 10 digits.

04 Add contacts, directors and references

Provide accurate details so RTG can contact your business and verify your application.

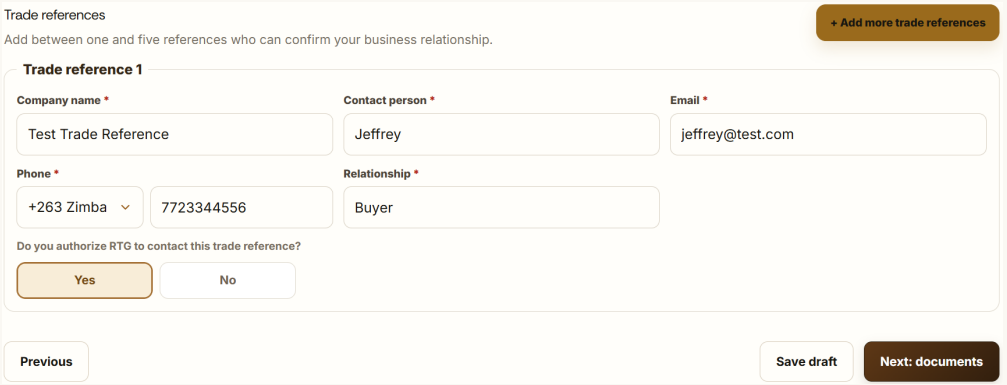

Company contact and directors

Enter the contact person's name, role and phone number. Add **1-5 directors** and complete their required details.

Upload each director's **national ID or passport**: PDF, JPG or PNG, maximum **5 MB**. Use **+ Add more directors** when needed.

Trade references

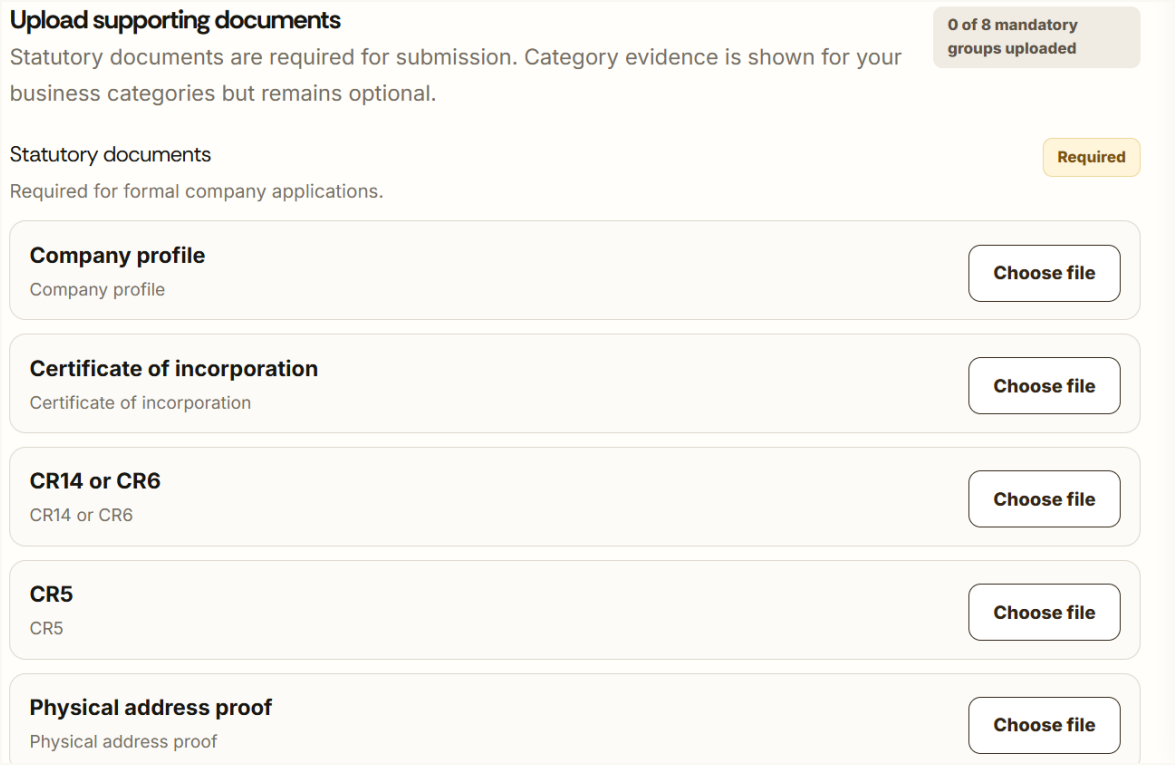

Add **1-5 trade references**. For each, enter the company name, contact person, email, phone and relationship.

Choose **Yes** or **No** to indicate whether RTG may contact that reference. Select **Next: documents** to continue.

Need a break? Select **Save draft** before leaving. Sign in later to resume. Use **Previous** to revisit earlier details.

05 Upload documents, review and submit

Complete the required document list shown for your application before final submission.

Formal company checklist shown

1. Company profile
2. Certificate of incorporation
3. CR14 or CR6
4. CR5
5. Physical address proof
6. VAT certificate
7. Tax clearance certificate
8. FDMS compliance proof

Strengthen your application: Add any exclusive dealership certificates and industry-specific certifications or compliance documents to support your application and improve your chances of approval.

Select **Choose file** beside each document. Follow the upload rules displayed in the portal. Category evidence is optional in the screen shown.

Final review Continue to **Review & submit**. Check your details and uploaded documents, resolve any outstanding requirements, then submit for Procurement review.

The final review and confirmation screens were not supplied. Follow the on-screen prompts to complete submission.
